

# Waingroves community woodland trust

## Lottery membership application 2019

### Dear Friends of Waingroves woodland

The Woodland Trust runs a small lottery, consisting of 12 monthly draws covered by an annual stake of £10 (Jan to December) or £1 per for each month after. In 2018 it raised over £1500 and also created over 80 prize winners. This helps pay towards maintaining the woodland in the condition that over the past 7 years we have all come to expect as normal.

To join complete the following information along with payment
