

Waingroves community woodland trust

Lottery membership application 2017

Dear Members now is the time to thank you for your support in 2016 which raised £1600 and also created over 90 prize winners.

Now we ask you to do it all again next year

The Woodland Trust runs this small lottery, consisting of 12 monthly draws covered by an annual stake of £10 (Jan to December) or £1 per month. This helps pay towards maintaining the woodland in the condition that over the past 6 years we have all come to expect as normal.

Please complete a new membership application form to join

Please make cheques payable to Waingroves community woodlands trust.
